**Re: Petition, Docket Number 98P-0151/CP1  
Meat from downed animals**

Dear Dr. Friedman:

Please consider this letter as our request to support the petition classifying meat from downed animals as adulterated. We oppose inhumane treatment of any animal. Additionally, meat from a diseased cow can contaminate tons of mass processed meat. Please support this petition.

Thank you for your consideration of this request.

Very truly yours,
